Prologue - The Stormy Nights

>

>
It was a dark and stormy night as Misty Waterflower walked down
the wet

>sidewalk. Three years ago, this was the place Ash Ketchum had last
been
seen. Today her feelings were just like the soggy and humid
weather outside.

>True, the disappearance of Ash had torn her heart. She had spent
many nights
like this, alone and afraid. Tears coursed down her
cheeks as she remembered

>the young Pokemon Master. So young and full of energy, never giving
up - How
could he be dead? Misty's mind silently demanded.

Demanded silently to no

>one, to nothing. Misty pushed aside those forgotten feelings and
continued
onward to her destination...

To be continued...
